**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am using the "competitive provider" (an ugly term, anyway) for almost 30 years. I am staying with my provider (the "rawbandwidth") for so long from many reasons, among which are:

1. The excellent support from "rawbandwidth" in case of technical questions
2. Essentially lack of problems (i.e superior quality)
3. "Competitive" price
4. Different list of services, when compared to other, typical providers

I strongly believe that only competition can drive higher quality and trim the prices.

So, PLEASE KEEP the broadband competition!

Best regards,

Zenon Fortuna
